## **CIVIL DESIGN ENGINEER**

*Entry Level - Warrenville, IL*

Engineering Resource Associates, Inc. is seeking a highly motivated Civil Design Engineer to work in our Warrenville office. This position would involve a variety of engineering tasks and collaboration with others on the design team. Design projects include site development, geometrics, transportation, hydraulic modeling, construction engineering and infrastructure projects. The ideal candidate has work experience in the Civil Engineering field.

### **Skills, Knowledge, Qualifications (Preferred):**

- Bachelor's degree in civil engineering
- 0-2 years of experience within a consulting engineering firm is preferred
- Internship experience is a plus
- Strong interpersonal and communication skills
- Proficiency in AutoCAD Civil 3D, or MicroStation is a plus
- Must be a US Citizen or permanent resident (without sponsorship)

### **Benefits:**

ERA offers competitive compensation and comprehensive benefits such as generous medical/dental/vision insurance, life insurance, 401K with employer match, paid vacation, and holidays. If you are interested in this position, please send your resume to Staci Withrow at [swithrow@eraconsultants.com](mailto:swithrow@eraconsultants.com).
